ASSESSMENT AND PAYMENT OF FEES

Total student fees are a combination of tuition fees, mandatory non-instructional fees, user fees, non-regulated fees and AUArts' Students Association fees. Fees are assessed on the basis of course registration, status, term of study, service requests and membership as per the fee description. Tuition fees will cover a portion of expendable supplies necessary to support general studio operation and use. The balance may be charged to students as supplementary fees on a cost recovery basis.

All tuition fees, program fees (if applicable), mandatory fees, non-regulated fees, and third-party mandatory non-instructional fees, including Student Association fees, are due and payable by the payment deadline as published in the Academic Calendar. Where the deadline is a weekend day, the fees due date will be moved to the next business day.

Fee Payment Deadlines for the 2024 – 2025 Academic Year:

- Fall semester: September 16, 2024.
- Winter semester: January 15, 2025.
- Spring semester: May 9, 2025.
- Spring/Summer semester (Graduate Studies): May 9, 2025.

Students who have not paid all tuition and fees by the fee payment deadline may have their registration in the current term revoked and will not be eligible for refund of fees paid to date. Future term registration will be cancelled.

Students with unpaid balances on their accounts at AUArts will be subject to:

- Withholding of marks, transcripts and/or credentials;
- Withholding of privileges, including access to AUArts email, Mosaic, and other student systems, building access and other AUArts services;
- Ineligibility to register in subsequent academic terms or years;
- Any other collection efforts that are deemed appropriate by the University.
