Declaration Processing and Minor Information

- You may declare a minor once you have successfully completed 30 credits in First Year Studies. This form must be received no later than the deadline for the Application to Graduate.
- A student may apply up to three required courses from their major in their degree program to meet the requirements of the minor. Elective courses may also be used to meet the requirements of the minor.
- Completing a minor may require the student to take courses above and beyond their major degree requirements.
- Students must complete at least 50% of the total number of credits required for a minor at AUArts to meet the Residency requirement.
- For more information about Minors, please see the [Academic Calendar](#)
