Undergraduate Studies: Student Funder Form

This form will be partially completed by the student and then the student will give this form to the funding agency (band funding, Advancing Futures, etc.) The funding agency will complete the funder portion of the form and email it to: payfees@auarts.ca, copying the student on the email. AUArts will invoice the funding agency after the add/drop period for each term. A separate form is required for each term that the funding agency sponsors the student. If this form is not received by the end of the add/drop period, the student is not considered to be a funded student for that term. The add/drop period dates can be found here: <https://www.auarts.ca/calendar>
