

March 12, 2020

Dear AUArts Community;

In this fast moving and uncertain public health pandemic situation, the safety of our AUArts community members is our top priority.

As a precaution, effective as of March 12, all events that were to be held on campus are cancelled until at least the end of this semester, April 24. This includes student led events such as Show + Sale and student club events. We will continue to evaluate future events, and no decision has been made yet regarding Convocation on May 20.

All classes continue as normal and I will notify you immediately if the situation changes.

Thank you so much for your understanding and support.

Sincerely,

Dr. Daniel Doz

President and CEO
